"I am about to do a new thing; now it springs forth, do you not perceive it?" - Isaiah 43:19 (NRSV)

Community Impact

Dear Friends and Family,
Grace and Peace to you. We trust that you and your family are doing well. Many things have changed for all of us in the past year: travel restrictions, lockdowns, losses, and non-stop challenges. However, through it all God has continued to show His faithfulness.

Thank you for your commitment to us and the people of Morogoro. Together we are contributing to God's mission and we are grateful for your love and faithful giving provide hope to our students and the community.

Ngoy spent time with students at Mtipule pre-school, a Masai community. What's a blessing to invest in the lives of these children. "Working with kids is a blessing," said Ngoy.

Over the years, Mtipule school has had only kindergarten. This year, we started grade one.

CHANGING LIVES & COMMUNITIES

We praise God that over the years we have not only introduced Jesus, to the community, but we are also developing leaders. In the previous years, many people believed that only male can be trained for pastoral ministry. However,

**“LET US GO SOMEWHERE ELSE-
TO NEARBY VILLEGES –SO I CAN
PREACH THERE ALSO. THAT IS
WHY I HAVE COME.”**

- MARK 1:38

Mrs. Dorsia is one of the female student pastors at Morogoro Training School. Currently, she serves as an associate pastor at Changombe UMC in Dar es Salem.

Morogoro Pastors Training School has proven otherwise. Both men and women receive training in evangelism, disciple-making, personal/ leadership development, and church leadership.

This is a result of God’s faithfulness.

Mrs. Dorsia, she said, “Morogoro Pastors Training School has helped me to grow spiritually and to grow as a pastor. Now, I feel so confident to connect people to Christ.”

Susan Wesley training Center continues to make disciples of Christ. The four women pictured above (Anna, Jessi, Amina, and Zaina) needed empowerment to support themselves. Through Susan Wesley sewing program, they have decided to give their lives to Christ.

Through your faithful giving, we were able to build one new classroom pictured below. This classroom has 30 desks and accommodate 65 students.

The school continues to have a positive influence in the community. For the first time this year, we have enrolled 120 new students.

It is our prayer and hope to continue sharing Jesus in an incarnational way.

Umba, Msasa (well construction engineer), and Pastor Idda, standing in front of the well that was destroyed. Through your generous support, we are in the process of repairing it.

Four community wells were constructed to serve 435 families in Mtipule. Unfortunately, one of the wells was destroyed by a heavy rain few weeks ago.

Some of the Mtipule community members clearing the area around the well after a heavy rain destroyed the well.

This is the Mtipule well that was destroyed. The work of repairing it is in progress. The Mtipule community is so thankful for your generous support.
