

REACHING OUR MINISTRY/UMC

TANZANIA, MOROGORO UMC

October 2021

By Missionary Ngoy and Umba Kalangwa

“I thank my God every time I remember you, constantly praying with joy in every one of my prayers for all of you.” — Philippians 1:3-4

Dear Brothers and Sisters,

Greetings in the precious name of Jesus!

We are deeply grateful for each of you for connecting and partnering with us in mission. That verse (Philippians 1:3-4) reminds us to reflect upon the early church in which Paul was an evangelist. At that time, early Christians were in the minority of their societies and were spread out, scattered throughout Europe, the Near East, and Asia. Most Christian churches would never meet each other and were quite isolated. Yet they remained connected through three important ways: prayer, letter writing, and traveling evangelists. We are so grateful for your prayers, your letters of encouragement, your financial support, and your time spend with us.

Church Under Construction

Praise the Lord! With your support, we continue building churches. We are praying for the completion of this church building to meet the needs of many families seeking the gospel.

Wesley Primary School

We are thankful to God for enabling Our standard VII students to write the National examination in September. They were 40 students. We are now waiting for results which should be out by November this year.

We trust our graduates will carry the lessons learned into colleges where many will go to continue with their education.

Umiba and Pastor Yunisi officiating baptism

The Lord continues to be good to us and those He has blessed us to serve. The Lord has blessed us with so many saved and baptized.

Umiba has been active in preaching, teaching baptizing, and supporting pastors in struggling churches.

We do have seven student pastors who did not attend Pastor's training in the Summer 2021. These seven students will be coming to Morogoro in November for a six weeks study.

Please pray for travel blessings and stay in Morogoro. They will need food and transportation from and to Morogoro. If you can help toward this ministry, we would much appreciate

Empowering Women

We would love to share with you this experience of one of the women who received sewing training at Susannah Wesley Training Center

In the words of Neema Kiza:

I have been a widow for eight years. My husband died and left me with eight children. I used to wash people's clothes to earn a living which was not enough to support my family. Seeing how my children suffer made me hopeless. Thankfully, I was introduced to Susannah Wesley Training center by a friend. After hearing my story, Ngoy suggested that I took sewing classes. It took me three months to master how to make dresses, shorts, shirts, and trousers. That is the grace of the Lord.

Susannah Wesley Training Center gave me a sewing machine. Now I make dresses for people in my community and get paid. I can say my life has been transformed from the moment I completed the training. Susannah Wesley Center has changed my life and family, and I am so grateful.

May God bless all who support Susannah Wesley Training Center

Neema Kiza

We are grateful for your faithful support and care over the years. Your partnership is helping make a great impact here in Tanzania.

Thanks,

Ngoy and Umba
